

Are you (or do you know) a local homebound senior who could benefit from a

FREE GROCERY DELIVERY SERVICE?

Henson's Country Foods and Faith in Action - Washburn County, in collaboration with Angels on our Shoulders in the Town of Chicog, have a program to serve this need in our community!

The mission of this service is to help homebound seniors have access to quality food and develop meaningful connections to volunteers.

Henson's will fill grocery orders each week on Wednesday, and Faith in Action/Angels on our Shoulders volunteers will deliver the orders to qualifying seniors in our community. This is a FREE service!

If you or a loved one are interested in signing up for the Grocery Grabbers program or if you would be willing to volunteer to deliver groceries, please call the Faith in Action office: 715-635-2252.
