

The mission of the **Minong Area Chamber Of Commerce (MACC)** is to enhance the quality of life in Minong and the surrounding area by promoting a healthy, growing economy that supports forward thinking, active leadership and community action.

Becoming a member of the MACC will give your business:

- Referrals & networking opportunities.
- Create better business-to-business connections.
- Exposure through links on the Minong Chamber website.
- 12x12 Popup Tent (with deposit).
- Use of wavy/dancing inflatable man for events.

The MACC strives to make Minong a beautiful community to feel proud of. Your membership has helped the MACC to establish and maintain the four "Welcome to Minong " signs, as well as the flowers that surround them. We also provided four new attractive wood benches along the main street going through the village of Minong. We continue to establish MACC's presence by sponsoring the first two inside pages of the Washburn County Visitors Guide as well as establishing a website for visitors to find resources in our community. MACC sponsors community events such as Minong Summer Days and Trunk-o-ween as well as Minong area sweatshirts and t-shirts.

Through the efforts our goal is to make the Minong area prosperous community for local businesses, families and community organizations.

Thank you for your support!  
Tracy Elkins  
MACC President
